 406-000

COLOUR:
 white

DESCRIPTION

If a car accident does happen (which we sincerely hope it won't), our safety hammer with belt cutter might just be the tool that gets you out of a sticky situation. You can easily attach it with the included Velcro to a suitable and easily accessible place in the car. So that if you need to, you can quickly and easily cut yourself free from the seat belt and break through the car window. TÜV-approved.
